Springs for Advance Racks

Part Number	Description
50104	4" Rack Spring
50105	5" Rack Spring
50106	6" Rack Spring
50114	5-3/4" Extension Arm
50115	15" Extension Arm

Rubber Feet

Rubber feet are molded to fit over the corner of the tray. They are available in left and right version. Red feet are used every tenth tray to facilitate counting.

Part Number	Description
	Right Black Rubber Foot
MRZ13	Left Black Rubber Foot
MRZ14	Right Red Rubber Foot
MRZ15	:Left Red Rubber Foot

Metal Feet

Metal feet snap onto the corners of the trays. This provides protection for high temperatures, as well as support for heavier loads. Double spaced metal feet increase the distance between trays. Additional spaced metal feet are available for increased weight support.

Part Number	Description
MRZ05	Left Single Metal Foot
MRZ06	Right Single Metal Feet
MRZ07	Left Double Metal Foot
MRZ08	Right Double Metal Foot
